(written by Matreca Burg and Randy Scruggs)

The world is waiting in the drive, another day begins
We wake up early half alive, here we go again
We pay our bills and we don't complain
We just drive faster in the carpool lane
Are we in love or are we insane

(Chorus)

(Baby) Give me tonight, you're still the one
Light up the stars, blow out the sun
Chase that old moon till it gives up the fight
Oh, give me tonight

A picture's hanging on the wall from our wedding day
Yeah, you and me we had a ball, nothing in our way
You gave me love and a diamond ring
We bought a house and an old porch swing
Oh now baby there's just one more thing

(Repeat Chorus)

This mean old world won't seem so crazy
If I could hear you call me baby

(Repeat Chorus)

Oh, baby give me tonight
There's just one more thing
Baby, give me tonight
