somewhere over the rainbow
way up high
there's a land that i heard of
once in a lullaby

somewhere over the rainbow
skies are blue
and the dreams that you dare to dream
really do come true

some day i'll wish upon a star
and wake up where the clouds are far behind me
where troubles melt like lemon drops
away above the chimney tops
that's where you'll find me

somewhereover the rainbow
bluebirds fly
birds fly over the rainbow
why,then,oh why caan't i?

somewhere over the rainbow
skies are blue
and the dreams that you dare to dream
really do come true
