Baby, come on take a ride. You don't have to decide
We'll go wherever, let's go! Huuh!
Roof top down and music up
Let's find a hidden spot, let our feelings take control.
So sweet, you got what I need.
You make me dizzy
1, 2, 3, yeah you got me and the rest is history
I suck at math but I know, huhh
That 5, 6, 7, I'm in heaven, every minute, every second
I'm thinking where this could go.
[Chorus:]
You're my sexy love, I feel, love I feel, love affair
You're my sexy love, I feel, love I feel, love affair
You're my sexy love, I feel, love I feel, love affair
You're my sexy affair - Can't take you anywhere!
Tell me your fantasies, everything you want from me
I'll see what I can do.
Nobody has to know, promise you won't let it show
Just you and I know the truth
So sweet, you got what I need.
You make me dizzy
1, 2, 3, yeah you got me and the rest is history
I suck at math but I know, huhh
That 5, 6, 7, I'm in heaven, every minute, every second
I'm thinking where this could go.
[Chorus:]
You're my sexy love, I feel, love I feel, love affair
You're my sexy love, I feel, love I feel, love affair
You're my sexy love, I feel, love I feel, love affair
You're my sexy affair - Can't take you anywhere!
Don't wanna wake up in the morning without you
Don't wanna have another dinner without you
Don't matter what I'm doing, I'm thinking about you
My sexy love, my sexy love affair
Don't wanna hear another song without you
Don't wanna read about love without you
You're my best kept secret it's true
My sexy love, my sexy love affair
So sweet, you got what I need.
You make me dizzy
1, 2, 3, yeah you got me and the rest is history
I suck at math but I know, huhh

That 5, 6, 7, I'm in heaven, every minute, every second
I'm thinking where this could go.

[Chorus:]

You're my sexy love, I feel, love I feel, love affair
You're my sexy love, I feel, love I feel, love affair
You're my sexy love, I feel, love I feel, love affair
You're my sexy affair - Can't take you anywhere!
You're my sexy love, I feel, love I feel, love affair
You're my sexy love, I feel, love I feel, love affair
You're my sexy love, I feel, love I feel, love affair
You're my sexy affair - Can't take you anywhere!
