

Nadine Coyle "Wake Up"

Visit "[Wake Up](#)" on MotoLyrics.com

I can't lose if I don't fight
I'm not wrong if this feels right
You can't go if I don't go
You can't quit if I say no
I can't fail if I don't try
I can't deceive if I don't lie
You step forward then I step back
You can't act if I don't act

And you say I'm living in a dream
State I gotta go my own way
But I ain't lettin' this slip now
Oh not now

[Chorus]
I don't wanna wake up
Can't let go of me yet
Can't you see that
I don't wanna wake up
Can't say this is over
Don't you know that
Cause I've been workin'
Too hard for this for too long
Put in my heart and risked somemore

I don't wanna wake up
Can't let go of me yet
Can't you see that
I need you
You you you

You don't know and I'm so sure
You can't leave and take my all
And I can't lose it if I don't find
I ain't wrong if this feels right
Then you say I should be movin' on
But I, I got no way to go
Without you so I'm stayin'
Oh I'm stayin'

[Chorus]
I don't wanna wake up

Can't let go of me yet
Can't you see that
I don't wanna wake up
Can't say this is over
Don't you know that
Cause I've been workin'
Too hard for this for too long
Put in my heart and risked somemore

I need you
You you you
Can't you see that
No one else will do?
Nobody but you
I'll do anything
I'll go anywhere

[Chorus]
I don't wanna wake up
Can't let go of me yet
Can't you see that
I don't wanna wake up
Can't say this is over
Don't you know that
Cause I've been workin'
Too hard for this for too long
Put in my heart and risked somemore
