Did you think that I was really with him  
When I was holding your hand  
Well, you were right, I couldn't get him off my mind  
You're my shadow, he's my phantom  
I can feel him breathing down my back  
A low voice sings, I'll make your heart go blind

[Chorus]

I'm addicted  
I feel sick, but I'm not giving you up  
You're a drug to me, but I  
I need my fix, I need my fix  
I'm addicted  
Your heart poison that I'm strung out on  
You're dangerous, but I  
I need my fix, I need my fix  
Whoa, oh

I'm alone now, I'm a junkie  
Coming down hurts more than the farewell  
I don't want this, but I need this, I need this  
I need some time to satisfy my craving  
Like that one last cigarette  
You're no illusion, no ghost, I've learned that now

[Chorus]

I'm addicted  
I feel sick, but I'm not giving you up  
You're a drug to me, but I  
I need my fix, I need my fix  
I'm addicted  
Your heart poison that I'm strung out on  
You're dangerous, but I  
I need my fix, I need my fix  
Whoa, oh

Listen to the screams  
My vivid dreams  
There's no relief  
Watching me asleep  
Revealing deep

You solved the mystery

[Chorus]

I'm addicted

I feel sick, but I'm not giving you up

You're a drug to me, but I

I need my fix, I need my fix

I'm addicted

Your heart poison that I'm strung out on

You're dangerous, but I

I need my fix, I need my fix

Whoa, oh

Whoa, oh

Whoa, oh
