"Church Tower"

There's a light in the church tower
Glowing over the backstreets, the backstreets
The concrete is wet, so sends flashes of light
In my mirror, my mirror
Don't go looking for trouble
Don't go looking for trouble

I want you jealous and I want you callous
And moving in me
Fooling affection and feeling the friction
It's pieces of nothing
Don't go looking for trouble
Don't go looking for trouble

[Chorus]
Quickly I wait as you rush to the door
Keeping it from you just makes me want more
I want the drama your queen dishes out
Quickly go wait as the cover gives out
Cover gives out

I won't resolve this if you don't control this
I'm willing it better
I'm slipping in shoes that made only to bruise our two
egos
There he goes
Don't go looking for trouble
Don't go looking for trouble

[Chorus]
Quickly I wait as you rush to the door
Keeping it from you just makes me want more
I want the drama your queen dishes out
Quickly go wait as the cover gives out
Cover gives out

Moving through you
Moving through you
Moving through you
Moving through you

[Chorus]

Quickly I wait as you rush to the door
Keeping it from you just makes me want more
I want the drama your queen dishes out
Quickly go wait as the cover gives out
Cover gives out (Don't go looking for trouble)
Cover gives out (Don't go looking for trouble)
