I know it's over, you know it's dead
And I don't want you coming around
Don't keep on calling, give it up, man
And I don't want you hanging around my head

You're not welcome anymore
You're not welcome in my head
You're not welcome anymore

[Chorus]
'Cause we're dead and discarded
And I can see the crosses on our heads
We're dead and discarded
And I can see the crosses on our heads
It's not so bad
It's not so bad

Won't give in this time, I've let you go
So don't expect my hand when you need it
Lost in the city, left you alone
And I don't want you hanging around my head

You're not welcome anymore
You're not welcome in my head
You're not welcome anymore

[Chorus]
'Cause we're dead and discarded
And I can see the crosses on our heads
We're dead and discarded
And I can see the crosses on our heads
It's not so bad
It's not so bad

I can see it coming for me
In my head and in my dreaming
Hold on to your dearest, friendless
Pray you won't get cheated

[Instrumental]

[Chorus]

'Cause we're dead and discarded
And I can see the crosses on our heads
We're dead and discarded
And I can see the crosses on our heads
It's not so bad
It's not so bad
It's not so bad
It's not so bad
