I couldn't help from keeping it from you
Don't rush it all, shock on the wire
In my control, I'm keeping you strung up
Don't leave me out 'cause I'm playing with fire
He said, she said, complicated
He said, she said, complicated love
Ooh, love

[Chorus]
I'll find you out
Do you love me, I can't tell
Under my spell
You can't even help yourself, self

Give me a reason, just don't confuse me
It's black and white and you're colour-blind
Whatever words you use to refuse me
Don't waste your breath, make up your mind
He said, she said, complicated
He said, she said, complicated love
Ooh, love

[Chorus]
I'll find you out
Do you love me, I can't tell
Under my spell
You can't even help yourself, self

So keep me true
'Cause I like what you do
And you'll do what you do
Lies stifle cries
And the fall and the rise
But we do what we do
And we do it so well

[Chorus]
I'll find you out
Do you love me, I can't tell
Under my spell
You can't even help yourself

[Chorus]
I'll find you out
Do you love me, I can't tell
Under my spell
You can't even help yourself, self
