Go where you want to  
Show what you want to show  
To them, to you, to me  
No explanation  
Roll with the changes, oh  
To them, to you, to me

And you're the only one who makes this all go round  
And you're the only one who's slipping through the  
sound  
Yeah, you're slipping through the sound

[Chorus]  
Ooh, baby, it's too late  
No explanation  
Ooh, baby, can't you wait  
Hold back from any danger  
Ooh, baby, it's too late  
Stop me from making trouble  
Ooh, baby, it's too late  
I'm nervous

I'm not the start of evil  
Tell me how you can cheat it, oh  
To them, to you, to me  
I can't be bothered thinking  
Too tired to make this real now, oh  
To them, to you, to me

And you're the only one who makes this all go round  
And you're the only one who's slipping through the  
sound  
Yeah, you're slipping through the sound

[Chorus]  
Ooh, baby, it's too late  
No explanation  
Ooh, baby, can't you wait  
Hold back from any danger  
Ooh, baby, it's too late  
Stop me from making trouble

Ooh, baby, it's too late  
I'm nervous

Ooh, oh, ooh, oh  
Stop me from making trouble  
Ooh, oh, ooh, oh  
Stop spinning, falling over  
Ooh, oh, ooh, oh  
Stop me from making trouble  
Ooh, oh, ooh, oh  
Stop spinning, falling over

[Chorus]  
Ooh, baby, it's too late  
No explanation  
Ooh, baby, can't you wait  
Hold back from any danger  
Ooh, baby, it's too late  
Stop me from making trouble  
Ooh, baby, it's too late  
I'm nervous  
I'm nervous
