I could stay awake just to hear you breathing,
Watch you smile while you are sleeping,
While you are far away and dreaming,
I could spend my life in this sweet surrender,
I could stay lost in this moment forever,
Where a moment spent with you is a moment I
treasure,

I don't want to close my eyes, I don't want to fall
asleep,
Cause I miss you baby, and I don't want to miss a thing,
Cause even when I dream of you, the sweetest dream
will never do,
I still miss you baby and I don't want to miss a thing

Lying close to you feeling your heart beating,
And I wondering what you are dreaming,
Wondering if it's me you are seeing,
Then I kiss your eyes and thank god we're together,
I just want to stay with you in this moment forever and
forever, forever

I don't want to close my eyes, I don't want to fall
asleep,
Cause I miss you baby, and I don't want to miss a thing,
Cause even when I dream of you, the sweetest dream
will never do,
I still miss you baby and I don't want to miss a thing

And I don't want to miss one smile,
I don't want to miss one kiss,
I just want to be with you right here with you,
Just like this, I just want to hold you close,
I feel your heart so close to mine
And just stay here in this moment,
For all of the rest of time

I don't want to close my eyes, I don't want to fall
asleep,
Cause I miss you baby, and I don't want to miss a thing,
Cause even when I dream of you, the sweetest dream

will never do,
I still miss you baby and I don't want to miss a thing

I don't want to close my eyes, I don't want to fall
asleep,
Cause I miss you baby, and I don't want to miss a thing,
Even when I dream of you, the sweetest dream will
never do,
I still miss you baby and I don't want to miss a thing

I don't want
I don't want to close my eyes, close my eyes
And I don't want to miss a thing,
Cause even when I dream of you, the sweetest dream
will never do,
I still miss you baby and I don't want to miss a thing
