You remember... last november
Or was it october? Year was over
Oh this getting colder
It's the middle of December and as they was turnin
wheels were burning
And I was yearning for you
Girl, I'm usually a playa but tonight I'm turning
for you
Girl I couldn't even speak that night
You remember at the beach that night
There was no one on the street that night
Rolled up, I was looking like a creep that night
Then you came inside my tent to come and get me and
you whispered
and you asked if I was ready and I wasn't, but girl..

All I wanna do is take my time with you
So if this love is true
Then you'll wait for the 2 of us

All I wanna do is take my time with you
So can we keep it cool?
Cuz baby this is new

Wanna be my girlfriend and my lover but I'm just
not ready
Wanna be my girlfriend and my lover but I'm just
not ready
Wanna be my girlfriend and my lover but I'm just
not ready
Oh no I'm just not ready, oh no I'm just not
ready

Girl you bout to get me in some drama
Feelin like a storm comin
And I know you're dealing with these problems
And I know there's more coming
And you doing how you can
Hope you know I really understand
I just gotta be the realest while I can
Cuz it's a little jokers chance
Things spread like cancer

On the campus, baby girl
Letâ€™s ride
Take her to the spot on the top and we never gonna
stop
Show me what you got
Never gonna dry
No, but we never gon stop
Cuz I wanna make it last
Donâ€™t worry bout them jokers in the class cuz he
always talkin trash
Iâ€™mma put him in the past
In a Beemer and I kinda got it going really fast

All I wanna do is take my time with you
So if this love is true
Then you'll wait for the 2 of us

All I wanna do is take my time with you
So can we keep it cool?
Cuz baby this is new

Wanna be my girlfriend and my lover but Iâ€™m just
not ready
Wanna be my girlfriend and my lover but Iâ€™m just
not ready
Wanna be my girlfriend and my lover but I'm just not
ready
Oh no Iâ€™m just not ready, oh no Iâ€™m just not
ready

Iâ€™m cool as the wind blows
Please open up a window
Cuz itâ€™s hot in here
And itâ€™s cold when youâ€™re not in here
Your body ridin, got a headache
Iâ€™mma lay you down cuz my body getting heavy
Girl you should drop it like itâ€™s hot cuz Iâ€™m ready
And Iâ€™mma lean in, but only if you let me.. no
Come into my villa like get it
You can be my Krugger like Freddy
Cougar, you ready?
Some you can show me
You can be my friend
You can be my homie
You can come and hol' me cuz Iâ€™m really lonely
And we could do it fast or we could do it slowly holy..
crap
You donâ€™t even know me, on Twitter call me a
phony
When itâ€™s time you gone, passing your pony up

All I wanna do is take my time with you
So if this love is true
Then you waitt for the 2 of us

All I wanna do is take my time with you
So can we keep it cool?
Cuz baby this is new

Wanna be my girlfriend and my lover but Iâ€™m just
not ready
Wanna be my girlfriend and my lover but Iâ€™m just
not ready
Wanna be my girlfriend and my lover but Iâ€™m just
not ready
Oh no Iâ€™m just not ready, oh no Iâ€™m just not
ready
