Here we go again in the stars with

The flying cars and the Martians

Someone get my ray gun cuz it' s time to start this

Our beat' s the hardest

And it feels like a light year but baby girl l' m right

I could die here

Let's start this party

Nobody started

And l' m rockin my card again

We could stop, we could start again

And in my heart's a friend and you knew it

(What are you tryin' to tell us?)

We had love and we threw it off the ledge

l' m off my head, my heart' s obsessed

It's all my good

Then come near to me now, you' Il have a good time if you know how to live right

l' m coming to get you

Oh you have to get ready cuz it's time for lift off
