Boy I need a gold crown. x4

Come groove with the coolest kids in school  
I think them other dudes are foolish  
Watch me while I do this  
I don't care what the mood is  
Baby girl we should all get lost  
There's some case in the hospital  
I mean we got to go  
When I lead it's impossible  
Want some games? Yea I got some more  
A little dance won't hurt you  
Play tracks til the curfew  
Girl touch upon my curls and they tuck em on my virtue  
Me and you should be the first to  
Let's take it with me  
Girl I really wanna kiss you  
Cuz I'm really gonna miss you  
Said this dude  
In a way don't worry cuz my eyes are getting blurry  
Baby girl so.

All I see is you. Stars. Open. Arms. Pharaohs. God.  
Golden.  
All I see is you. Stars. Open. Arms. Pharaohs. God.  
Kings and queens.

Let's screw to the evening  
Baby sooner to believe in Bob and Evan  
Do the crowd cuz they all screaming loud  
But girl and I leaving  
I don't even got a reason  
To step away from your beauty cuz you're looking  
like a movie  
Take my hand if you're really feeling groovy  
You could leave now if you knew me but you don't  
so.  
Let's take you vanish  
Wash away my hands and don't roll the cameras  
I like my campus, watch where my fans is  
Let's play the jams and we start the dancing

Chill backstreet relaxing  
And off the dorm right now, that's my passion  
On the moon, moonwalking like Jackson  
And I see you, just you doing my glasses

All I see is you. Stars. Open. Arms. Pharaohs. God.  
Golden.  
All I see is you. Stars. Open. Arms. Pharaohs. God.  
Kings and queens.

Girl I really wanna. groove  
Baby lookin when we. groove  
You be kissin when we. groove  
I be touchin when we. groove  
And I'm lookin so. smooth  
And we got nothing to lose  
Come kick it with the crew  
I don't know what you wanna do with me girl but I  
think you're tryna

All I see is you. Stars. Open. Arms. Pharaohs. God.  
Golden.  
All I see is you. Stars. Open. Arms. Pharaohs. God.  
Kings and queens.
