[Verse 1]

Spit fire cant jock the heat
And I spit if I knock the street yo
Tic Toc can't stop my feet
He a real G rock the beat uh
Had a fun time last night
Got girls here, that's right
Could of chilled if you act right
Fell asleep on my half pipe
Got school but we coolin' aye
Let the cool kids do this uh
And our flows be too sick uh
So cool you drowlin' yup
Yup yup, I does it
This my city right here, I run it
Pass me a deck, quick quick pop shuvit
Girls be sayin' that I'm with them but i
wasn't cause

[Hook]

Everybody want kicks like me
Everybody want chicks like me
Everybody want flicks like me
Everybody tryna get like me

Everybody want kicks like me
Everybody want chicks like me
Everybody want flicks like me
Everybody tryna get like me

[Verse 2]

Wanna know where to find me?
Find a place with the most skateboards, scraped
concrete
All my G's behind me
We ain't afraid of none of the zombies
More peace than Gandhi
Up all night, never sleep if you can call me a zombie
Yak, bringin' it way back
Before I get to cruise with my dad playin' tracks
and Maybach
Now I'm the king of the misfits

So I'm a G, Mois' king of the kickflips (dope)
And it must be the raps I spit
To get invited to these parties with all these hot
actresses
Yo I ain't even mad of this
But I'll probably get some crap for this
From parents and my sis and the people I be actin'
with
But it's cool, I'mma act and trip cause

[Hook]

Everybody want kicks like me
Everybody want chicks like me
Everybody want flicks like me
Everybody tryna get like me

Everybody want kicks like me
Everybody want chicks like me
Everybody want flicks like me
Everybody tryna get like me

[Verse 3]

People say "be safe" and I hate that
So I go to skate live with no pads
Ha ha, rebel
Yea, we skate hard, better get up on the level
If you can't then it's no problem
If you want daxon we got him
Lookin' up like there's no bottom
Spittin' flows hotter than lava
New York means we're hover
Then go to Nobel with Shaka
These girls, they thinkin' I'm older
Then break it to 'em and shock 'em
Told you I was the realest, swag bustin' through
ceilings
And oh told me they'd kill us
So what did I do? I kill it cause

[Hook]

Everybody want kicks like me
Everybody want chicks like me
Everybody want flicks like me
Everybody tryna get like me

Everybody want kicks like me
Everybody want chicks like me
Everybody want flicks like me
Everybody tryna get like me

[Hook]

Everybody want kicks like me
Everybody want chicks like me
Everybody want flicks like me
Everybody tryna get like me

Everybody want kicks like me
Everybody want chicks like me
Everybody want flicks like me
Everybody tryna get like me
