A tornado flew around my room before you
came

Excuse the mess it made, it usually doesn't
rain

In Southern California, much like Arizona
My eyes don't shed tears, girl, they bawl

I've thinkin' 'bout you
(Ooh, no, no, no)

I've been thinkin' 'bout you
(No, no, no)

I've been thinkin' 'bout you
Do you think about me still?
Do ya, do ya?

Do you not think so far ahead?
I been thinkin' about forever (Ooh, ooh)
Do you not think so far ahead?
I been thinkin' about forever (Oooh, oooh)

[Jaden Smith Rap:]

I been thinking 'bout you and you know I do
When I be thinking 'bout them kisses girl so are
you

Man I heard some things, I don't know it's true
But people say you really like me and I hope that's
true

You my baby girl and I hope you know it,
A boy will tell you that he loves you but a man will show it
That's why you in my arms, just for the day
Cause let so much go by you be dancing away
But let's just have some fun girl
As long as you're here

Cause when you get up on that plane you'll be gone for a year
And when you come up in my room I'll be bawling some tears

But people say just live in the moment it's wrong to be scared girl

Is it wrong to be scared?

Cause that's what they say and every day that I don't see you,

You slippin' away,

And all my teachers in my class thinkin' I'm crazy

But they don't know that I think about you daily cause I be

Thinkin' 'bout you

(Ooh, no, no, no)

I've been thinkin' 'bout you

(No, no, no)

I've been thinkin' 'bout you

Do you think about me still?

Do ya, do ya?

Do you not think so far ahead?

I been thinkin' 'bout forever (Ooh, ooh)

Do you not think so far ahead?

I been thinkin' 'bout forever (Ooh, ooh)

[Justin Bieber Rap:]

Baby I could pick you up in the roll Royce

Anywhere you wanna go it's your choice

Every time that I'm away girl I miss your
voice

And I promise that I'm nothing like them other boys

I came from the bottom now I'm at the top

Tell you I love you every day and that I'll never
stop

They say it's true love well is love true

Yeah I think it's love that's why I found you

Ain't a second that'll go by that I don't think you're so
fly

And I know why ain't no guy gonna treat you like I wanna,

Gonna be the man that treat you right

Be the man to hold you tight

You know I know you right

Let's go into the night,

Thinkin' 'bout you

(Ooh, no, no, no)

I've been thinkin' 'bout you

(No, no, no)

I've been thinkin' 'bout you

Do you think about me still?

Do ya, do ya?

Do you not think so far ahead?

I been thinkin' 'bout forever (Ooh, ooh)

Do you not think so far ahead?

I been thinkin' 'bout forever (Ooh, ooh)
