That first time i break, cut so deep  
You can never get too comfortable again  
The first sleepless night when you realize  
That you don't know where to go and when you've been  
Too many hearts out here are homeless  
Too many lonely souls are hopeless

where do we all go  
Where do we all go  
Where do we all go  
so Where do we all go  
Where do we all go  
Where do we all go  
Where do we all go

You don't belong anywhere  
and You don't know if you ever will again  
You see your hand reaching out.....scared to let  
somebody else  
Too many hearts out here are homeless  
Too many lonely souls are hopeless

where do we all go  
Where do we all go  
Where do we all go  
Where do we all go  
Where do we all go  
Where do we all go

Where do we all go  
all the love is passing by they see us but dont hear out  
crys ..  
Truth is that we are all the same  
Just one heart break away  
Too many hearts out here are homeless  
Too many lonely souls are hopeless

Where do we all go  
Where do we all go  
Where do we all go  
Where do we all go

Where do we all go  
Where do we all go  
Where do we all go
