Knock me down, what ...
Head it for the white flag, you may be turn it out,
I won't .., in time will ..,
.. as I'm not there, still more left to feel,
Have you ever been so low, you didn't want to ..,
At the end of time I still can't see the light.

Chorus:

And when you came, burnin' like the flame,
Your heart, showing me the way
You have no camouflage, I know just who you really
are,
No way to run, where am I gonna go,
I belong to the .. I'm soldier for love
I'm more than friend .. it could be dangerous,
But I'm walk ...still soldier for love.
And I'ma keep fighting on, fighting on, fighting on.

A bull of .., right to the heart,
..and I still have the ..
You give me strength I have to win
Cuz I gotta prove the good thing still exist,
Have you ever been so low, you didn't want to survive,

At the end of the turn on, you still can't see the light

Chorus:

And when you came, burnin' like the flame,
Your heart, showing me the way
You have no camouflage, I know who you really are,
No way to run, where am I gonna go,
I belong to the .. I'm soldier for love
I'm more than friend ..it could be dangerous,
But I'm walk ...still soldier for love.

No way to run, where am I gonna go,
I belong to the .. I'm soldier for love
I'm more than friend .. it could be dangerous,
But I'm walk ...still soldier for love.
And I'ma keep fighting on,
And I'ma keep fighting on,
I'ma keep fighting on.

I'ma keep fighting on.
