It was a lonely road to get here
Looking back I remember well
I saw you standing there
But I just kept going onÃƒÂ¢â‚¬Ã‚¦

If I wasnÃƒÂ¢â‚¬Â™t so blind to my feelings inside
I would of told you from the start
if I ever have the chance
IÃƒÂ¢â‚¬Â™d give up everything
If it meant I could have you in my life

I shouldÃƒÂ¢â‚¬Â™ve took my chance with love
But I threw it away
I followed my dreams instead
Hoping happiness layed a head

If I wasnÃƒÂ¢â‚¬Â™t so blind to my feelings inside
I would of told you from the start
if I ever have the chance
IÃƒÂ¢â‚¬Â™d give up everything
If it meant I could have you in my life

I shouldÃƒÂ¢â‚¬Â™ve uncovered my eyes
And let the light shine
But I swallowed my pride
And turned awayÃƒÂ¢â‚¬Ã‚¦.

If I wasnÃƒÂ¢â‚¬Â™t so blind to my feelings inside
I would of told you from the start
if I ever have the chance
IÃƒÂ¢â‚¬Â™d give up everything
If it meant I could have you in my life

I saw you standing there
But I just kept going onÃƒÂ¢â‚¬Ã‚¦ÃƒÂ¢â‚¬Ã‚¦.
