The world keeps on turning...
my life is going nowhere...
the rain keeps on pouring down never letting up on me
I haven't seen the sun, for sometime now...
The wind keeps on blowing as the clouds rush on by...

How do I get lost in myself...
never knowing the day when I will be found...
How do I get lost in myself...
never knowing the day when I will be found...

The road keeps on... twisting and turning
but I know, I will find my way out...
But I, hope someday that I'll...
find my way back, to the place where I feel...
How do I get lost in myself...
never knowing the day when I will be found...
How do I get lost in myself...
never knowing the day when I will be found...

Just when I think I have my life on track...
something happens that sets me back...
I pray to God that it won't be long 'til I...
have my feet back on the ground...

How do I get lost in myself...
never knowing the day when I will be found...
How do I get lost in myself...
never knowing the day when I will be found...
