Bottom line, had enough  
I'm fed up working overtime  
So frustrating  
It's getting late  
Seconds closer 'til I make my sweet escape  
My heart is aching

I, I, I can't get you off my mind, mind, mind  
I just can't wait until tonight, night, night  
It's all I'm living for  
Let my hair down, out the door  
I can't take this anymore

I just wanna, I wanna  
I wanna breakaway  
Every day the same routine  
It's just the same thing  
I just wanna, I wanna  
I wanna breakaway  
Every day the same routine  
It's just the same thing

Day and night  
Just the thought of you gives me those butterflies  
Intoxicating  
Working you  
Is the only work I ever wanna do  
Make my move  
I gotta get to you

Tonight, night, night it's all I'm living for  
Let my hair down, out the door  
I just can't take this anymore

I just wanna, I wanna  
I wanna breakaway  
Every day the same routine  
It's just the same thing  
I just wanna, I wanna  
I wanna breakaway  
Every day the same routine  
It's just the same thing
