There's only one place I've gotta be, with music all over  
me

Baby, there's heartache on the dancefloor

DJ, show me some sympathy

Now, where the hell's my freakin song

Turn it up, put it on for me

I just wanna get it on

The disco lights are calling

Electric tears are falling

And with every move I make

I smile but I'm just faking

'Cause inside I'm breaking

When I wanna escape

There's only one place I've gotta be, with music all over  
me

Baby, there's heartache on the dancefloor

Hit the beat is my remedy, midnight emergency

You know there's heartache on the dancefloor

Dance with me, dance with me

Put your hands on me, heartache on the dancefloor

I give up everything I have

To get it thrown back in my face

Looking hot but I'm feeling bad

As I'm winding up my way

The disco lights are calling

Electric tears are falling

And with every move I make

I smile but I'm just faking

'Cause inside I'm breaking

When I wanna escape

There's only one place I've gotta be, with music all over  
me  
Baby, there's heartache on the dancefloor  
Hit the beat is my remedy, midnight emergency  
You know there's heartache on the dancefloor  
Dance with me, dance with me  
Put your hands on me, heartache on the dancefloor  
Dance with me, dance with me  
Put your hands on me, heartache on the dancefloor

I've got it, I'm with it  
I know just what to do  
Just give me a minute  
And I'll be over you  
I've got it, I'm with it  
I know just what to do

There's only one place I've gotta be, with music all over  
me  
Baby, there's heartache on the dancefloor  
Hit the beat is my remedy, midnight emergency  
You know there's heartache on the dancefloor

There's only one place I've gotta be, with music all over  
me  
Baby, there's heartache on the dancefloor  
Hit the beat is my remedy, midnight emergency  
You know there's heartache on the dancefloor  
Dance with me, dance with me  
Put your hands on me, heartache on the dancefloor

Dance with me, dance with me  
Put your hands on me, heartache on the dancefloor
