(It's your boy Tha Vill and Janet  
We're killin' it with this one baby)

Let me tell ya something  
Baby I ain't frontin'  
I got my eye on you  
Let me tell you what I wanna do

First time I saw ya  
And I really wanna get to know ya  
I got the moves  
Now I wanna put 'em down on you  
And I said hey  
Show me like you know what to do  
Boy I'm telling you hey

(tell me what ya wanna do baby)

I just wanna shimmy shimmy ya now  
Shimmy shimmy ya now  
You got to keep your eyes on me  
Watch me while I take the lead  
Shimmy shimmy ya now  
Shimmy shimmy ya now  
Just shake it with me 1, 2 step  
Shake it with me how low can ya get

(Tha Vill rap)  
Hey I just wanna shimmy shimmy ya now  
Shimmy shimmy ya now  
You got to keep your eyes on me  
Watch me while I take the lead  
Shimmy shimmy ya now  
Shimmy shimmy ya now  
Shake it with me 1, 2 step  
Shake it with me how low can ya get

(Dance for me) Won't you dance for me baby  
Come on and dance with me  
This could be your destiny (can't you see)  
Just move with me  
Just shake it with me now 1, 2 step

I just wanna shimmy shimmy ya now  
Shimmy shimmy ya now  
You got to keep your eyes on me  
Watch me while I take the lead  
Shimmy shimmy ya now  
Shimmy shimmy ya now  
Just shake it with me now 1, 2 step  
Shake it with me how low can ya get
