I close my eyes and hear your voice whisper to me  
softly,  
it seems so long ago you went and left me,  
I cried in the night for the longest of time,  
I wish i had a chance to tell you good bye,

I wish i could have told you how i loved you,  
I wish i could have had a chance to say i'll miss you,  
I wish i could have spent more time with you,  
Ooh Ooh I wish i had a chance to say good-bye,

I sit in the cemetery crying out your name,  
I wonder if you can hear me,  
If you can feel my pain,  
tears stain my face as i hear you saying it will be ok,  
I only wish i had the chance to say,

I wish i could have told you how i loved you,  
I wish i could have had a chance to say i'll miss you,  
I wish i could have spent more time with you,  
Ooh Ooh I wish i had a chance to say good-bye,

Oh and if i could take a step back in time i would have  
done so much more,  
I wish i had you here with me,  
it's so hard to be indoors,  
ooh ooh Oh

I wish i could have told you how i loved you,  
I wish i could have had a chance to say i'll miss you,  
I wish i could have spent more time with you,  
Ooh Ooh I wish i had a chance to say good-bye,

yahh

I wish i could have told you good-bye
