join the band
do your work
talk to them
your such a jerk
ask them out
leave it be
you wont be anyone
unless you listen to me

the world is spinin
can't help but givein
to what they say i have to be
cant live my own life
can't tell day from night
im losing my self
cant find a way out
and no one will help
im stuck and on my own
drowned in there lies
cant find any more
tears to cry
who am i now

get straight A's
don't stay out past ten
join the glee club
get a new friend
drink this new stuff
get into sports
independence is such a bore
the world is spinin
can't help but givein
to what they say i have to be
cant live my own life
can't tell day from night
im losing my self
cant find a way out
and no one will help
im stuck and on my own
drowned in there lies
cant find any more
tears to cry

who am i now

who am i
no more making chooses
all is chosen for me
nothing i say matters any more
go a head and mock me
this is not the real me
i wont let you control me any more
the world is spinin
but i wont givein
to what they say i have to be
live my own life
it will be alright
me my self and i
found a way out
when no one would help
i decide on my own
who am i now
