Why you ever looked at me  
Is still a mystery  
That only God knows

Smile like none I've ever seen  
Cut through the heart of me  
And made everything seem like  
It was gonna be just fine

### CHORUS

And I've been down a many road  
searching for a place  
I could lay my head and  
take off this heavy load  
finally feel at home  
God, I think I've found it  
If home is where the heart is  
You must be home  
You must be home  
Yeah, Yeah

Lie here right beside me  
No place I'd rather be

Than in your arms

Take, you take my breath away  
And you do it everyday  
In everything you do  
Like the way you say my name

### CHORUS

### BRIDGE

Oh, I  
I cannot see  
what you ever saw in me  
or why you ever thought I'd be  
the man I wanted to (be)  
YEAH

### CHORUS

...If home is where the heart is (x 2)  
They say that home is where the heart is  
Then you must be home  
you must be, you must be, you must be home  
you must be home yeah, yeah, oh, oh
