Beacuse I said so
Let's go
Na, na, na, na, na, na

It's funny how they think that
They can tell me what to do
I'm always one step ahead so
You know I never lose
I'm not gonna follow
I make my own rules
I won't change who I am
Just cause they say it's not cool

Everybody else is playing
Copycat my style is my own
Why can't people sway you
Cause I love to do it my own way
To put them, what with them,
Were them how I wanna go, where I wanna go

Because I said so
Na, na, na, na, na, na

So rain boots with a toto
Why because I said so
I could walk around with a attitude
Why because I said so
I wear sunny shades on a cloudy day
Why because I said so
I'm a throw a fit till I get my way
Why because I said so

Center of attention making everybody stare,
They tell me that am crazy and I tell them I don't care
I'm pushing the limit
To everything I do,
I do it my own way

Because I want to

Everybody else is playing
Copycat my style is my own

Why can't people sway you
Cause I love to do it my own way
To put them, what with them,
Were them how I wanna go, where I wanna go

Because I said so
Na, na, na, na, na, na

So rain boots with a toto
Why because I said so
I could walk around with a attitude
Why because I said so
I wear sunny shades on a cloudy day
Why because I said so
I'm a throw a fit till I get my way
Why because I said so

You go left, I'm running to the right (uhu, uhu)
And if you tell me to jump I'm a just sit tight
I'm major avatra I'll never change no matter what you
say (uhu)
You can try all day (all say)
But I'm a do it anyway

So rain boots with a toto
Why because I said so
I could walk around with a attitude
Why because I said so
I wear sunny shades on a cloudy day
Why because I said so
I'm a throw a fit till I get my way
Why because I said so (x2)

Why because I said so (x4)
