Yesterday, I saw you with your friends
thought I'd stop by,
But I know that, that I
Can't catch your eye even if I try
I get so nervous, but I say "I can do this"
Why can't you please, notice me?
Don't think that I don't see you
I see you everyday at school
After lunch after, at first period
I don't think you see me, you see they have on tv?
but I know, you don't know it's me

Could this be a crush
Cause I don't know why
I like it so much
The feeling just won't go away
Why do I feel this way

Could this be a crush
Cause I don't know why
I like it so much
The feeling just won't go away
Why do I feel this way

Everything you do
Gets my attention
Whether you crack jokes
Or get detention
Plus your cute
Did I mention
Do you notice me
Is the question
Can't do my homework
I'm stressin'
Cause your my answer to every question
Don't think that I don't see u

Daydream in my mind
That's wat I do
Always write your name on my homework
Can't wait for the day that we flirt
Wrote you a note

Yes, no

Check box

Do you like me

Thoughts I can't stop

Wanna give it to you

Wen u pass by

But wen I see you

I just die

Cause I like you

I can't lie

Please tell me why

Could this be a crush

Cause I don't know why

I like it so much

The feeling just won't go away

Why do I feel this way

Boy wanna tell you

How I feel

Butterflies in my stomach feel so real

Can we chill

Not in my dreams

Somebody pinch me

Can we make

This a dream come true

Just wanna be with you

Ooooooooooooooh

Hey

Somebody tell me why?
