If I had a diamond ring,
for every time you broke my heart,
I would be a rich girl now,
I could buy me everything but I'll still cry.

And if I had a great big house,
for every time you let me down,
I would be a rich girl now,
for every time you broke my heart.

Sorry Sorry
you keep on telling' me
Sorry Sorry
but baby now I know the story, story
You keep on tell me your Sorry, Sorry

And how I hate that I love, I hate that I love you
I know you're unfaithful, I know you're unfaithful
Hate that I love, I hate that I love you
But why can't I leave you?
Hate that I love you

If i had another car,
for every time you broke my heart,
I would be a rich girl now,
I could buy me anything, but I'll still cry.

And if I had a dollar bill,
pay for all of my good will,
I would be a rich girl now,
For every time you broke my heart

Sorry, Sorry
You keep sayin' Sorry, Sorry,
Now i know the story, story,
But you're not worth it, worth it

And how I hate that I love,
I hate that I love you,
I know you're unfaithful,
I know you're unfaithful,

Hate that I love, I hate that I love you
Oh, why can't I leave you?
Hate that I love you

Someday Imma walk out on ya
Can't believe I was still to love you
Someday imma walk out on ya
Had enough and I hate to love you
One day when I walk out on ya
And you find us around me and you
I was always the one you turned up
Now you need someone there to love ya.

And how I hate that I love,
I hate that I love you,
I know you're unfaithful,
I know you're unfaithful,
Hate that I love, I hate that I love you
Oh, why can't I leave you?
Hate that I love you

Hate that I love,
hate that I love you (x8)
