I don't know why I don't trust,
I go crazy when you hang with her,
I need a straitjacket for my mouth,
Can't let my J-E-A-L-O-U-S feelings keep coming out,
I might as well wrap him up in a bow,
All I'm doing is making him wanna go,
I need you to help me calm my doubts,
Cause J-E-A-L-O-U-S feelings just bring us down

I don't wanna be nag-nagging
don't wanna be drag-dragging you down,
don't wanna be pull-pushing,
look what I'm doing now.
So I'm the girl, I'm the jealous girl,
J E A L O U S, boy, I don't know how you got me acting
like this.

How do I stop all these thoughts yeah
Then maybe our love ain't strong enough yeah
i need to get a grip on myself
Before I push you right into the arms of someone
Someone else
(I don't wanna be no no)
It's like i wrap it in a bit a bow
It's like i wrap it in a bit a bow
All i'm doing is making you wanna go oh
I need you to help me through my doubts
So my J-E-A-L-O-U-S feelings don't bring us down

I don't wanna be nag-nagging
No i don't wanna be drag-dragging you down
Don't wanna pull-pushing
Look what I'm doing now
I'm that girl
I'm that jealous girl
J-E-A-L-O-U-S

Boy i don't know how you got me acting like this

I don't wanna be nag-nagging
No I don't wanna be drag-dragging you down
Cause I'm that girl

I'm that jealous girl
J-E-A-L-O-U-S
Boy I don't know how you git me acting like this
(Acting like this)

I don't wanna be nag-nagging

J-E-A-L-O-U-S
Boy i don't know how you got me acting like this
