I Like The Tickets Time Still Apologize
The Way You See Me Now What I Am Inside
Main Character There Wasn't Any For Us
I Tryin To Keep It Up One I Look Into Your Eyes ..
I Saw You How Crystal Clear
And When You Look Back Mine
That You Seem To Disappear

Chorus:

Because It Was All, It Was All, It Was All Masquerade
Because It Was All, It Was All, It Was Masquerade,
Masquerade, Masquerade, Masquerade, Masquerade
Masquerade, Masquerade, Masquerade, Masquerade

I Said I Loved You First, My Love Is Just So ..
And .. So Many Times I 'Ve Been Came To Blur
You're Not The Only One I'm Sure That .. And It Hurts
Of All The Pain You Had I'm The Worst In Your Eyes
Tonight

I Saw You How ..When You Look Back My
All The Lies Reappear

Chorus:

Because It Was All, It Was All, It Was All Masquerade
Because It Was All, It Was All, It Was Masquerade,
Masquerade, Masquerade, Masquerade, Masquerade
Masquerade, Masquerade, Masquerade, Masquerade

Now I Can't Believe You're Telling Me You Can Move On
Easily

I Thought You Really Care For Me I Was Wrong
I Should Have Known My Phone Was The Sweatiest ..
.. All The Possibilities ..Playin You Play In Me
I Was Wrong, I Was Wrong

So I Guess It Was All, It Was All, It Was All Masquerade
Because It Was All, It Was All, It Was Masquerade,
Masquerade, Masquerade, Masquerade, Masquerade
Masquerade, Masquerade, Masquerade, Masquerade
