You're what keeps
The stars hung up in the sky
You're what keeps
The rivers, from running dry
You're what makes
My heart go and skip a beat
When you are
Inches away from me

There ain't no reason
There ain't no rhyme
But still it happens every single time
When we say nothing at all
'Cause your kiss is so natural

A first touch was like wild fire
Two hearts dancing on a highwire
Too young
To know what's right
But too much in love
To try to fight it

You're what keeps
The stars hung up in the sky

You're what keeps
The rivers, from running dry
You're what makes
My heart go and skip a beat
When you are
Inches away from me

There ain't no reason
There ain't no rhyme
But still it happens every single time
When we say nothing at all
'Cause your kiss is so natural

Oh, no, no, no
'Cause your kiss is so natural
Aaah, aah, oooaah
Aaah, noo

'Cause your kiss is so natural
Ooh, aaoh
'Cause your kiss is so natural
