#### Verse 1 (Naeto C)

All white kaftan like the stripe on a tom tom  
See how we got famous where we come from  
walahi itâ€™s from teaspoons to lump sums â€œ What  
a conundrum!  
All I did was make lines like when ABC bus comes  
Now they saying tread softly with caution  
You attract the wrong people when they know about  
your fortune  
Iâ€™m worried maybe thatâ€™ll be my portion.  
I donâ€™t need a new cut to feel level headed  
My experience has justified where Iâ€™m headed  
So when they talk about the things that I do wrong  
I just pat them on the back like a new born  
Cos as the rumorâ€™s starts to spread like a bed sheet  
Iâ€™m calculating money on excel spread sheets.  
Iâ€™m too blessed to be stressed  
So Iâ€™m giving out some love cos Iâ€™m getting it in  
excess  
Now that you should respect.

#### Pre-Hook (2x)

Itâ€™s moving over me  
Itâ€™s taking over me  
And Iâ€™m feeling my way up now.

#### Hook (2x)

When heaven puts a hand on me  
Come and share my blessings.

#### Verse 2 (Naeto C)

1st day of the year  
my best friend died in a car crash.  
Couple of months before that, I survived in a car crash.  
Now thatâ€™s the irony of life  
She was good enough to be a wife  
I only cry once a year but that year, I cried thrice.  
So dear friend, let me give you an advice  
Keep your loved ones close cos they wonâ€™t live  
twice  
I should have told her how I felt but I couldnâ€™t be  
precise.

I didn't reply her emails even though she broke  
down her feelings in detail.

I was busy dealing with all sorts of female  
Now it's hard for me to even open up my gmail  
I wish she had the same luck as me  
but that's what i couldn't give unluckily.  
And so I pray that my blessings extend  
to the rest of my family and friends.

Pre-Hook (2x)

It's moving over me  
It's taking over me  
And I'm feeling my way up now.

Hook (2x)

When heaven puts a hand on me  
Come and share my blessings.

I'm moving on  
This little light of mine  
I'm gonna let it shine (let it shine)

Pre-Hook (2x)

It's moving over me  
It's taking over me  
And I'm feeling my way up now.
