Jawan Harris:

Have you ever loved someone so bad  
But they don't know you alive  
Well I have...

[Verse 1]

I've been waiting just about all day  
For you to come on around here (Yeah)  
Cuz' i been trying to get at ya  
But its been kinda hard to catch ya  
(Ah Ooh) Ooh, Ooh  
With all that pretty on your face  
You don't even know what you did  
(What you did, What you did)  
You stole my heart from the start  
Got me triippin' like...

[Chorus]

Keisha, Keisha, oh Keisha  
Shawty, I really want to meet ya  
(Aye Keisha, Aye Keisha, Aye Keisha) Oh, Keisha  
Get out the way,  
Keisha now coming through  
Aye shawty what it do  
Let's talk about me and you

[Verse 2]

Now I ain't tryna be impatient  
I know all the guys are tryna get at you too, baby  
Tell them they don't need to, save it  
Baby come play with the majors  
I never get tired of waiting  
Cuz' i know you won't be waiting sooner or later  
and baby I ain't gon stop until you make me your  
screen saver

[Chorus]

Keisha, Keisha, oh Keisha  
Shawty, I really want to meet ya  
{Aye Keisha, Aye Keisha, Aye Keisha} Oh, Keisha  
Keisha, Keisha, oh Keisha

(What I gotta do girl to meet you girl)  
Shawty, I really want to meet ya  
{Aye Keisha, Aye Keisha, Aye Keisha) Oh, Keisha

[Hook]

Slow down (Slow down), Slow down (Slow down)  
Ain't it bout time we got this show on the road now
