There's a club in Miami with the best crowd in town
Where a sweet little princess jumps around and around
And her sight is the beacon in the veil of the night
With her strange kind of fashion there's a wrong and a
right But she never, ever comes with you-ou-ou-ou

Where are my girls, where are the guys
We gone be slamming and jamming tonight
We gonna party till tomorrow morning
Gimme champagne, a bottle of wine
Gimme some henny and gimme some ice
We gonna party like the afterparty

Move every single bone and muscle in your body
Shake that big piece of meat I like to call your booty
I came to party like Mardi Gras
Show me your boobs, take of your bra
Baby it's the summer, gimme your number
And we'll have sex on the hood of my car

There's a club in Miami with the best crowd in town
Where a sweet little princess jumps around and around
And her sight is the beacon in the veil of the night
With her strange kind of fashion there's a wrong and a
right But she never, ever comes with you-ou-ou-ou

The ugly looks tasty when you are wasted
And when you're freaking high
Hey there my lady, come be my baby
Cause I'm so freaking high
Tonight I just need to have you and me, boo
Wining and grinding all up in this club
We kissing, we hugging, we touching, we rubbing
Tonight is my night so I don't give a
