You think I'm a saint
I'm tellin you I aint
If only you knew
It's been to many years
For things to end up here
How did we get this way

Were just two hearts, running free
But were travlin different roads
Well, you'll be back some day
You'll come running back for me

You've been running around
Really let me down
Did you take me for a fool
Hey you, you see that I'm tryin
But love is all I'm buyin
It can only go so far

Were just two hearts, running free
But were travlin different roads
Well, you'll be back some day
You'll come running back for me

I left you alone

And I left your mind to roam
Now I don't know what to say
I guess I fell apart
I got this mixed up crazy heart
I got lost on the way

Were just two hearts, running free
But were travlin different roads
Well, you'll be back some day
You'll come running back for me

Are you gonna stick around
And not this come unwound
Are you really gonna try
Who do you think you are

To let me fall this far
Can't you see this in my eyes

Were just two hearts, running free
But were travlin different roads
Well, you'll be back some day
You'll come running back for me
