I like girls, girls love me
But there's too many fish in the sea
I like swimming with different woman
I say why bring sand to the beach
Got nothing against love
But I'm just too young

Ooh, see girl I'm trying to have fun
When I say hang out
Girl, it doesn't mean we're going on a date
We say we're friends, but friends
Don't call twenty times a day

Oh baby, don't you know you're still number one?
Oh girl, I'm trying to have fun
Oh girl, I'm trying to have fun
That's all I really want

I just wanna, I just wanna
When the weekend finally comes
Oh girl, I'm trying to have fun
Oh girl, I'm trying to have fun

I like you, you love me
But this dog can't be tied to a leash
You know I'm gonna roam where I wanna
I'm a stray you know what that means
I wanna make love although it ain't love

See girl, I'm trying to have fun
When I say stay now, I don't mean for a couple of days
Take a seat when we eat
It doesn't always mean that I'm gonna pay

Oh baby, don't you know you're still number one?
Oh girl, I'm trying to have fun
That's all I really want

I just wanna, I just wanna
When the weekend finally comes
Oh girl, I'm trying to have fun
Oh girl, I'm trying to have fun

Baby, I wanna make it right
Never meant to hurt you, I don't wanna see you cry
Ooh baby girl, you'll always be number one
Love it when we're together and I love that we're
friends

But when I say hang out
Girl, it doesn't mean we're going on a date
We say we're friends, but friends
Don't call twenty times a day

Oh baby, don't you know you're still number one?
Oh girl, I'm trying to have fun
That's all I really want

I just wanna, I just wanna
When the weekend finally comes
Oh girl, I'm trying to have fun
Oh girl, I'm trying to have fun
