J. Cole

"She Knows"

[Intro]
She knows, she knows
Oh I, oh I-I-I
Alright
Oh I, oh I-I-I
Alright

[Verse 1]
Damned if I do, damned if I don't
You know I got a girl back home
You got a man but you want, but you want
What these bitches want from a nigga
That's some DMX shit
I know them other niggas love tricking
On some BMX shit, but not me
Now I'm sure you done heard about me
A black star, Mos Def, Kweli
Good southern bad hoes try me, they try me
This is Martin Luther King in the club gettin' dubs
With a bad bitch in his ear sayin' that she down for
whatever
In the back of his mind is Coretta

[Hook]
And she knows, she knows
And I know she knows, and I know she knows
And deep down she knows, she knows
And I know she knows, and I know she knows
Well alright
Oh I, oh I-I-I
I can't give you what you want from me
Well alright
Oh I, oh I-I-I
I can't give you what you want from me
Well alright

[Verse 2]
Damned if I do, damned if I don't
I'm passing up on bad hoes, trying to be the man that
she want
What she want, what she want from a nigga

To put a ring on it
Got a bitch on my dick right now
And she just want to sing on it
Got me up so high, trying to get a piece of that apple pie
I be up so high, trying to get a piece of that apple pie
Dance on fire, with my pants on fire
Cause I told her I was sleeping
Cause I creep with this pretty young thing I chose
That she could be doing the same thing I suppose

[Hook]
And she knows, she knows
And I know she knows, and I know she knows
And deep down she knows, she knows
And I know she knows, and I know she knows
Well alright
Oh I, oh I-I-I
I can't give you what you want from me
Well alright
Oh I, oh I-I-I
I can't give you what you want from me
Well alright

Niggas say turn up, hoes say turn up
Only bad thing about a star is they burn up
Niggas say turn up, hoes say turn up
Only bad thing about a star is they burn up

Rest in peace to Aaliyah
Rest in peace to Left Eye
Michael Jackson I'll see ya
Just as soon as I die

Got me up so high, trying to get a piece of that apple pie
I be up so high, trying to get a piece of that apple pie
Got me up so high, trying to get a piece of that apple pie
I be up so high, trying to get a piece of that apple pie

[Outro]
Well alright
Oh I, oh I-I-I
I can't give you what you want from me
Well alright
Oh I, oh I-I-I
I can't give you what you want from me
Well alright
