[J-Diggs]

I gots this saucy lil' tender  
Baby bad to the bone  
Disrespect lil' mama best to know it be on  
I go hard for baby girl  
I can't help but to dig her  
A lil' jealous cause I know she got more than one nigga  
The way I figure its cool if you're treatin' her right  
You best be suckin' her, fuckin' her, and eatin' her right  
You want the truth  
I done bust shots for baby before  
For niggaz neglectin' and disrespectin' my ho  
"Hell no! You lost your mind? Is y'all crazy?"  
This is my bitch, I love her, and she havin' my babies  
We been together since the top  
When I was jockin' the corners  
Was only 10 when I met my lil' friend California  
Stumbled up one her when I was like ridin' my bike  
Come to find out, Cali gets live at night  
She hang wit Bay boys  
And bangers called Crips and Bloods  
She taught me how to hustle sellin' dimes and dubs  
We made love on the daily  
I was payin' her dues  
Cali taught me the game  
But Cali changed the rules  
Confused, I never knew better  
Used to sweat her for cheddar  
She seduced me, and used me, from the day that I met  
her  
She had me body guardin'  
And I'm jump-startin', and I'm drive bying' and  
dischargin'  
High speed chasin', false statements to the sergeant  
I was so young and so dumb  
The time, had no funds  
But fuckin' wit young Cali  
I got more dope and more guns  
Put me on her turf and made me hustle for her trap  
money  
Whispered in my ear "If you do good I'll give you rap

money"

Sat me down one night so she can whip me wit some  
game

Gave me pen and pad, equipped me wit some slang

Told me that I'd write about the life that she had laid  
out

Keep her name alive

And make sure she never played out

Represent that place where we met on that Cali corner

Let the world know I got a thang for Mrs. California
