I just take what I need
You've got to deal with it
Boy, I make you believe
That it's love you receive
You're moving kind of slow
You got to keep it up

I'm just a bad girl
Therefore I have more fun
Look at that bad girl
My trip has just begun
I'll be satisfied, boy I got
You shook up on your knees
I'm just a bad girl
'Cause I stick to my guns

Oh boy, it's not my fault
I'm irresistible, the damage I have caused
Is not just fixable, I'm gonna leave you now
I don't care what you say

I'm just a bad girl
Therefore I have more fun
Look at that bad girl
My trip has just begun
I'll be satisfied, boy I got
You shook up on your knees
I'm just a bad girl
'Cause I stick to my guns

Shut up, babe I don't have time
Let me lay it on the line
I can't find another guy
Someone who will treat me right
Thought that you be all I need
Your words have no way with me
'Cause you are no chap, I see
that is how it's got to be

I'm just a bad girl
Therefore I have more fun

Look at that bad girl
My trip has just begun
I'll be satisfied, boy I got
You shook up on your knees
I'm just a bad girl
'Cause I stick to my guns
