Baby - I am closing off your way
'Cause you mean the world to me today
it will be so lonely if you go
my only one
When I walk through crowded city streets
pondering about the things I need
you just know exactly what I like
be satisfied

You're the one who's always there for me
givin' all the love and peace I need
baby
I just wanted you to know
can't let you go

You are in my heart and in my head
I meant ev'rything I've ever said
tellin' you how much I'm loving you
and being true
Yet I can't get rid of all my fears
in the end I will break out in tears
my faith lies completely in your hands
I'd fight for you

You're the one who's always there for me
givin' all the love and peace I need
baby
I just wanted you to know
can't let you go
hope you'll never break my trust in you
I just wouldn't know then what to do
baby
I just wanted you to know
can't let you go

You're the one who's always there for me....
