Boy what's up - enjoy me!
Boy what's up - enjoy me!
Can't get no better
You won't be sorry if you try
Boy what's up - enjoy me!
can't get no better

Baby, maybe, you think I'm still in love
It's over now, my soul is free
I'm in for something new
Baby, maybe, I just don't get enough
Let me feel your kiss, so I can see
My mind is set on you

Boy, take a chance on me
Come close to me and go on and on, babe

Boy what's up - enjoy me!
You gotta get up
'Cause I know how to get you high
Boy what's up - enjoy me!
Can't get no better
You won't be sorry if you try

Baby, maybe, I won't be always true
Just wanna try, how you make me feel
The way you touch my heart
Baby, maybe, you don't know what to do
So I start it up, and I make it real
We gotta play it smart

Boy, take a chnace on me
Come close to me and go on and on, babe

Boy what's up - enjoy me!
You gotta get up
'Cause I know how to get you high
Boy what's up - enjoy me!
Can't get no better
You won't be sorry if you try

Boy what's up - enjoy me!
you gotta get up
Boy what's up - enjoy me!
can't get no better
Boy what's up - enjoy me!

Boy what's up - enjoy me!
You gotta get up
'Cause I know how to get you high
Boy what's up - enjoy me!
Can't get no better
You won't be sorry if you try
