I think I have lost your love  
After all the harm I've done  
If you could give me just one more chance, babe  
I'd walk a thousand miles  
For your touch and your lovely smile  
I'm sorry for all I have done, babe  
Hearts are broken  
Where do we go now  
Words - unspoken  
Miss you so

I promise  
If you come back in my life  
I promise  
You'll be there till the end of time  
Forever and ever babe  
I wanna be kissed by you, love me tender  
I want it all or nothing at all, come back  
Forever and ever babe  
I can't believe  
You'll abandon me  
Love's too deep  
Take a chance on me

They don't need to see me cry  
You can't hide it with a lie  
It's not too late to change your mind, babe  
I keep your picture beside my bed  
Still remember the words you said  
Can't believe what I just gave away, babe  
Hearts are broken  
Where do we go now  
Words - unspoken  
Miss you so

I promise  
If you come back in my life  
I promise  
You'll be there till the end of time  
Forever and ever babe  
I wanna be kissed by you, love me tender

I want it all or nothing at all, come back  
Forever and ever babe  
I can't believe  
You'll abandon me  
Love is too deep  
Take a chance on me
