I'm waking up, and you are there
Times are over when you had me out of breath
I think of you and have to say
Every night, my god, you're boring me to death

Oh baby, I am in for something new
Oh baby, sex with you just didn't do
Oh baby, don't believe that I was true again, again and
again

Go back to your mum
Get out of my life
I won't miss you babe, that's all I know
Go back to your mum
Get out of my sight
You were once my love, but it's really long ago

I can't believe, it took so long
All the time you were just longin' for your home
And then I hope you understand
Also there you'll have to do it all alone

Oh baby, have a beer and watch TV
Oh baby, you're not man enough for me
Oh baby, I was just too blind to see
Again, again and again

Go back to your mum
Get out of my life
I won't miss you babe, that's all I know
Go back to your mum
Get out of my sight
You were once my love, but it's really long ago
Go back to your mum
Get out of my life
You were once my love, but it's really long ago

Oh baby, I am in for something new
Oh baby, sex with you just didn't do
Oh baby, don't believe that I was true again, again and
again

Go back to your mum
Get out of my life
I won't miss you babe, that's all I know
Go back to your mum
Get out of my sight
You were once my love, but it's really long ago...
