Yeah, we're true blue heroes  
Really true blue heroes  
Now we gonna break down the walls  
Cause we're true blue heroes  
(Our) chances are not zero  
Yeah, we're on the top, we didn't fall

It is a new world  
Here we are and just begun  
Don't shed a tear  
We'll find the strength, our time has come

Oh, I've been waiting for you  
Oh, I've been waiting for you  
It is a new life  
With the beating of young hearts  
We'll make our dreams come true  
Nobody is apart  
I knew we'd make it through  
I knew we'd make it through

Yeah, we're true blue heroes  
Really true blue heroes  
Now we gonna break down the walls  
Cause we're true blue heroes  
Chances are not zero  
Yeah, we're on the top, we didn't fall

It's a new plan  
We're going straight, we're going strong  
Cause we're right here in the place  
Where we belong

Oh, I've been waiting for you  
Yeah, I've been waiting for you  
It is a new life  
With the beating of young hearts  
We'll make our dreams come true  
Nobody is apart  
I knew we'd make it through  
I knew we'd make it through

Yeah, we're true blue heroes  
Really true blue heroes  
Now we gonna break down the walls  
Cause we're true blue heroes  
(Our) chances are not zero  
Yeah, we're on the top, we didn't fall

True blue heroes anywhere  
True blue heroes anytime
