I won't think twice I am your baby  
When it comes to love I am not a dream of you i see  
When it comes to sex  
you can't be perplex in your phantasy  
What's you like to hear what i see  
you're better listen not oh baby  
Gotta do the things my own way  
I don't wann wait for you today  
1:  
I won't think twice I am your baby  
2:  
Tonight you will do it right  
1  
3:  
you better scape no way  
1  
If you're all alone go back to your phone and talk to me.  
Later we'll see what's it gonna be  
Baby please don't go astraight  
come on over here to my place  
If you wait to long I can't say  
That my lifes not getting to decae
