I know that I will not be  
Here just on my own  
and pray that you  
cannot leave me here all alone  
I can't give you a reason  
but I know I'll be missin'  
the shades of yesterday

refrain:

For no eternity  
all places that we'll be  
for no eternity  
all places that we'll be  
will change my life  
it's so much different  
oh baby you will see  
(2x)

So I will grow to be  
one day the stronger one  
I'll keep you in my heart  
'cause you are in this song  
you will be stayin' with me  
even though you let me free  
only love remains

I will be on your mind  
and I won't use up your time  
but I see it's gonna be  
something I need

All Places that we'll be  
will change my life

refrain

It's so much different  
oh baby you will see
