You really hurt me so
It really made my senses slow,
but know I've come to peace
You're knockin' on my door
Ain't never touching me no more,
that's how my life will change

I don't wanna be with you on my new way
And I'm telling you it's gonna start today

No more tears, without you by my side
No tears, I'll fly again tonight
Now I know I will be get in trough some how
I'm gonna be OK

It wasn't worth the time
All mountains you were gonna climb
for me you never did
I was your speechless toy
As if that'd be my only joy
You've done me wrong

I don't wanna be with you on my new way
And I'm telling you it's gonna start today

No more tears, without you by my side
No tears, I'll fly again tonight
Now I know I will be get in trough some how
I'm gonna be OK
