Like a fallen angel
I was on your side
You lighted the fire
Deep in my soul
Do you remember
The stars shining bright
I should retire
Under your control

In seven nights and days
Oh, you didn't think your thing would come
crashing down
In seven lonely dreams
Oh, I know that you're not the one I'm waiting
for

Seven nights, seven days
Seven nights I carried the can
Cause I let you go, all our bridges were burned
Oh boy, it's on the cards I don't wanna return
Seven nights, seven days
Seven nights you blew your chance
Love was not forever in your heart
Due to that we have to live apart

Nothing's forever
It's no use trying
There's no solution
Don't make me blue
We tried together
I kiss you goodbye
This endless confusion
Should not come true

In seven nights and days
Oh, you didn't think your thing would come
crashing down
In seven lonely dreams
Oh, I know that you're not the one I'm waiting
for

Seven nights, seven days
Seven nights I carried the can
Cause I let you go, all our bridges were burned
Oh boy, it's on the cards I don't wanna return
Seven nights, seven days
Seven nights you blew your chance
Love was not forever in your heart
Due to that we have to live apart
