I'm here to cure your condition  
Oh baby  
I know your heart's just a prison  
Oh baby  
It drags you down, baby it sucks you in  
Darkness - 'cause I've been bereavin'  
Oh baby  
Sadness - since you said you're leavin'  
Oh baby  
And so I'll wipe all the pain till it's gone

We are the living today  
Come steady yourself now  
We are the living today  
And nothing can stop us  
What we take on  
Then we stand as one  
Yeah it is a song we all sing  
We are the living today  
Come steady yourself now

You heard me promise you forever  
Oh baby  
Don't you see it's now or never  
Oh baby  
Two of a kind, it's the time of our lives

We are the living today  
Come steady yourself now  
We are the living today  
And nothing can stop us  
What we take on  
Then we stand as one  
Yeah it is a song we all sing  
We are the living today  
Come steady yourself now

Close your eyes  
And we'll make your dreams come true  
Close your eyes  
Baby, open up your heart now

We are the living today  
And nothing can stop us  
What we take on  
Then we stand as one  
Yeah it is a song we all sing  
We are the living today

We are the living today  
Come steady yourself now  
We are the living today  
And nothing can stop us  
What we take on  
Then we stand as one  
Yeah it is a song we all sing  
We are the living today  
Come steady yourself now
