Ronan:

I know it's late  
I know you're weary  
I know your plans don't include me  
Still here we are  
Both of us lonely  
Longing for shelter  
Of all that we see  
Why should we worry  
No one will care girl  
Look at the stars now  
So far away  
We've got tonight  
Who needs tomorrow  
We've got tonight babe  
Why don't you stay

Jeanette:

Deep in my soul  
I feel so lonely  
All of my hopes fading away  
I've longed for love  
Oh like everyone else does  
I know I keep searching  
After today

Ronan:

So there it is girl  
We got it all now

Jeanette"

And here we are babe  
What do you say

We've got tonight  
Who needs tomorrow  
We've got tonight babe  
Why don't we stay

Ronan:

I don't know it's late and I know you're weary

I don't know if plans do include me

Jeanette:

Still here we are

Both of us lonely

Both of us lonely

We've got tonight

Who needs tomorrow

Let's make it last

Let's find a way

Turn out the lights

Come take my hand now

We've got tonight babe

Why don't we stay

We've got tonight babe

Why don't we stay
